

The current list of EAGLE BOA Holders is posted to this website under the following Document Heading "EAGLE BOA HOLDERS". This list will be updated as BOAs are executed. The list is annotated "As of (Date)". The date will be revised as the list is updated. The evaluation of BOA proposals is ongoing and BOAs will be executed with offerors as they are determined qualified. It is anticipated that all first round BOAs will be executed by mid-October 2012. As emergent requirements are identified a window will open for non-BOA holders to submit proposals to be evaluated for an EAGLE BOA.
