

## **LCAAP Industry Day #2 Tour Narrative**

The tour script for LCAAP's Industry Day #2 is marked **DISTRIBUTION STATEMENT D**.

**Distribution Statement D:** The LCAAP tour script is marked Distribution D and available to only those firms registered with the US/Canada Joint Certification Program (JCP), or whom have received case-by-case approval from the controlling office. For information on becoming certified, see [www.dlis.dla.mil/jcp](http://www.dlis.dla.mil/jcp). Restricted technical data will not be forwarded to a contractor who has not been certified, verified via a certified DD 2345.

Restricted technical data shall NOT be forwarded without express permission from the PCO, nor can be released to any employee of the company who is not a Canadian or U.S. Citizen or an officially designated Permanent Resident of Canada or an Intending Citizen of the United States. Employees shall use unclassified technical data only for the purpose for which it was released. This document and/or the information contained in this document is not releasable to the public or media; nor should be sent over the internet unencrypted, or posted to any public web sites.

The receiving company is responsible for implementation and maintenance of the controls and measures appropriate to safeguarding the specific data. Each employee who uses the unclassified technical data, received through this program, is responsible for its care while in its immediate charge, and for its appropriate destruction when use is finished. Destroy by shredding, or tearing to make unreadable, when no longer needed.

**NOTE: Persons are advised that illicit use or disclosure of this data, especially unauthorized export, may result in criminal prosecution of the individual(s) responsible, including officers of the company. As well, serious penalties for the company may result, such as revocation of certifications and exclusion from the export process.**
