NON STANDARD AMMUNITION FOR FOREIGN MILITARY SALES (FMS)

The proposed Request for Proposal is in support of foreign governments and international organizations deemed eligible for the transfer of military defense articles. Various types of ammunition are provided to allied and friendly Governments under Foreign Military Sales (FMS) for training and combat purposes. Requirements for the Afghanistan National Army (ANA) and Afghanistan National Police (ANP) are included in this acquisition. Ammunition requirements for the ANA and ANP for the planned 5 year IDIQ effort are being re-evaluated.

Based on this analysis, the current milestone for release of a Request for Proposal is April 2012.
