

embodied therein shall at all times remain the property of the U.S. Government, including any reproductions or embodiments of all or of any parts thereof. Any improvements made by Recipient to said DATA and inventions embodied therein shall become the exclusive property of the U.S. Government.

4. It is understood and accepted that the obligations of non-use and non-disclosure herein shall be obligations of Recipient itself and persons who are officers, directors, or employees thereof, and also any other business entity that Recipient owns or controls to receive any of the said DATA.

5. Recipient shall conform to the Export Laws of the United States, and obey the Army's directives regarding non-export and nondisclosure of said DATA, (or items manufactured by utilizing same), even if Recipient's facility may not be located within the United States of America.

6. No license is provided to Recipient by the provision of DATA under this Agreement. No representation or warranty is made or given as to the existence or possibility of any intellectual property rights claims in said DATA, including but not limited to patent, copyright and trade secret claims. No representation or warranty is made or given as to the safety or suitability of any DATA which may be provided hereunder or of items or processes made there from.

7. If RICC provides Recipient with physical models, samples or experimental apparatus for Recipient's evaluation hereunder, Recipient agrees not to reverse engineer such items, nor to disassemble same to learn their design for unauthorized use of RICC's technology.
