

**Industry Day Announcement**  
**Projectile Metal Parts (PMPTS) for 105mm and 155mm Artillery Shell Bodies**  
**Solicitations W52P1J-09-R-0156 & W52P1J-09-R-0163**  
**September 21, 2010**

The Rock Island Contracting Center (RICC) and the Project Manager, Combat Ammunition Systems will be hosting an Industry Day to provide information on the planned acquisition of the Projectile Metal Parts (PMPTS) for the 105mm and 155mm Artillery Shell Bodies over the next five (5) years.

The Industry Day will be held at the Arsenal Club, Building 60, Rock Island Arsenal, Rock Island, IL 61299 on September 21, 2010. All visitors must enter via the Rock Island Gate and check in at the Visitor Center. There may be increased traffic flow due to the closure of the Moline Bridge entrance to the Arsenal. Allow additional time to get on the island and be issued a visitor's pass.

The draft Request for Proposals (RFPs) W52P1J-09-R-0156 and W52P1J-09-R-0163 will be posted on the internet in the near future. The internet address will be provided in an amendment to the presolicitation notice in the near future.

Please note that this effort is restricted to the National Technology and Industrial Base (NTIB). Firms interested in sending representatives to attend the Industry Day must register. Firms shall request the registration form by sending an email request to: [ROCK-PMPTSfor105mand155mmArtilleryShellBodies@conus.army.mil](mailto:ROCK-PMPTSfor105mand155mmArtilleryShellBodies@conus.army.mil). Completed registration forms shall be sent to the same email address and must be received no later than September 10, 2010.

It is requested that all participants review the draft RFP prior to Industry Day, and submit any specific questions and/or comments regarding the draft RFP via email to the email address identified above. There will be time allowed on Industry Day for any additional questions and/or comments that may arise. Do not ask any questions that disclose proprietary information since all questions and answers will be shared with all participants.
