

CONTRACT DATA REQUIREMENTS LIST (1 Data Item)						Form Approved OMB No. 0704-0188	
The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.

16. REMARKS: Plan shall provide information required by PWS paragraphs 2.2, 3.1.3 and 4.2.1, the associated DD Form 254, and any other applicable PWS or Task Order paragraphs / sections. Plan shall be complete, stand-alone, and address all the concerns in the PWS or Task Order paragraphs / sections and DD Form 254. Deliverables shall be submitted and exchanged electronically, in Microsoft ® Office 2000 product suite whenever possible. The Requiring Office identified in Block 6 may specify alternate or additional formats or copies. Plan is due within two weeks of Task Order award. The contractor shall provide plan on the date due as an electronic file that will be finalized after government review. The Government will have 10 workdays to review, accept, and / or comment on the draft deliverable. After the government reviews and comments on the deliverable, the contractor shall incorporate Government comments / submit change pages into the final electronic deliverable within 3 workdays after the receipt of the comments / need for revision is identified unless extended by the GTL. Block 9: Distribution authorized to U.S. Government Agencies only. To protect technical or operational data or information from automatic dissemination under the International Exchange Program or by other means. This protection covers publications required solely for official use or strictly for administrative or operational purposes. This statement may be applied to manuals, pamphlets, technical orders, technical reports, and other publications containing valuable technical or operational data. Other requests for this document shall be referred to GTL. Name and electronic address of Government Task Leader shall be specified at time of Task Order award. DD Form 250 to be submitted with final deliverable.				SFAE-PS-TS-B	1		1
