Welcome to the Army Sustainment Command Southwest Asia (SWA) Pre-Deployment Training from 24 Apr – 9 May. A copy of the training agenda will be provided separately. The report date is 24 April 2014.

This training prepares you for the logistical support you will provide during your deployment. To assist you with your pre-mobilization preparedness, attached are Ft. Bliss CONUS Replacement Center (CRC) Pre-Certification Training requirements with instructions and links to training websites. You will need to complete this training in order to process through the CRC. I would suggest that you get this training done before you arrive at the CRC to reduce your workload when you are there. Although time is set aside for this training in the evenings, the schedule is very full. Please bring the training completion certificates for the courses. To find answers to basic questions concerning your deployment processing, please review the CRC website at: <https://www.bliss.army.mil/CRC/index.html>. To access the Pre-Certification Training, go to the CRC site, click on the "MILITARY DEPLOYMENT" link on the left side of the page, scroll down to "PRECERTIFICATION TRAINING" where you can access the training two ways. Lastly, complete Information Assurance (IA) Training at <https://ia.signal.army.mil> and bring the training certificate with you.

In addition to these training requirements, you will take a Record APFT at RIA, even if you have taken one at your home station. Retests will be given if necessary.

We have reserved your lodging arrangements at a local Hotel. With few exceptions, all Soldiers will occupy shared rooms. Transportation is provided during your stay. Once you have your flight itinerary, please provide that information to the POC below.

Items to bring:

ACU's with Patrol Cap (3)

Wet Weather Gear

Boots (2)

Personal Hygiene Items

**Complete IPFU**

**Civilian Clothing**

Thanks to you and your family for supporting this deployment. I am proud to have you join the Army Sustainment Command.
