

# U.S. Army Sustainment Command

## Mission

ASC synchronizes distribution and sustainment of materiel to and from the field for the Materiel Enterprise in support of the warfighter. On order, executes LOGCAP.

## Vision

ASC sustains our Army, is ready to accomplish any mission, is committed to excellence and achieves the highest standards while taking care of our Soldiers, Civilians and their families.

## Lines of Operation

## Supporting Tasks

## End State

## Priorities

- ASC is the Materiel Enterprise conduit to the field that results in synchronized & integrated materiel readiness for the warfighter and our Army
- ASC transforms and adapts through a combination of mission and organizational changes to support the Materiel Enterprise today and in the future
- Strategic communication synchronizes information and fosters a culture of engagement with our partners & civilian leadership to inform, educate, and build consensus to improve enterprise awareness of our mission, programs, priorities and to acquire the necessary resources
- Caring for our People involves having a trained and sustainable workforce who maintain a lifestyle balanced between work and family
- Logistics Civil Augmentation Program (LOGCAP) supports contingency requirements through planning and program management, resulting in quality services to standard
