

Frequently Asked Questions

Maintenance

I have a mechanical problem with my forklift or electric cart, who should I call?

Report the problem to JLMI Contractor at (309) 782-1504.

Who do I contact to have material moved from one location to another? I have means to load and offload it.

Contact JLMI dispatcher, 782-1501, to set up an unscheduled cargo move.

Who do I contact for complaints or questions?

782-1469, Contracting Officers Representative for the LRC-RIA
