## Arsenal welcomes key civilian course for first time

ROCK ISLAND ARSENAL, Ill. — The U.S. Army Sustainment Command recently hosted two iterations of the Civilian Education System Advanced Course conducted by the Army Management Staff College here. This was the first time the course was hosted by ASC and held at RIA.

Employees from ASC, the U.S. Army Contracting Command, the U.S. Joint Munitions Command, the Civilian Human Resource Agency, and the RIA Garrison - all organizations based on the Arsenal - attended the course. Classes began on Jan. 7 and Feb. 11, respectively, with a total of 36 participants per class. [\(click to read more\)](#)

## Improvement techniques presented for APS bridging systems

SAGAMI GENERAL DEPOT, Japan — In September 2015, the Japan Support Team and Sagami General Depot of Army Field Support Battalion-Northeast Asia (AFSBN-NEA) received a new operational project requirement regarding Mabey Logistic Support Bridge (LSB) systems.

These line of communication bridging systems replaced older M2 Bailey Bridge sets in the Army Pre-positioned Stock (APS) 4 ... [\(click to read more\)](#)

## AFSBn-Mannheim streamlines issue, turn-in procedures

KAISERSLAUTERN, Germany — Army Field Support Battalion-Mannheim set up an equipment configuration handling area to receive and set up equipment transfer from the 1st Armored Brigade Combat Team, 1st Cavalry Division, in support of Atlantic Resolve here Jan. 28 to Feb. 2. [\(click to read more\)](#)

## Reform efforts keep momentum as Gen. Perna visits ASC

ROCK ISLAND ARSENAL, Ill. — Gen. Gus Perna, commanding general, U.S. Army Materiel Command, discussed the synchronization of the Army materiel enterprise during a second-quarter update with leaders at the U.S. Army Sustainment Command, here, Feb. 26.

Over the past year, AMC has changed drastically, with reorganization efforts occurring in several ... [\(click to read more\)](#)

## LRC Italy supports relief efforts to Ukrainian rehabilitation center

KAISERSLAUTERN, Germany — The Logistic Readiness Center-Italy's Humanitarian Assistance Program loaded a shipment of humanitarian aid supplies headed for Ukraine, at Camp Darby, Italy, Feb. 13-14.

The shipment, which included washers, dryers, hospital beds, pillows, blankets and more, was destined for the Zhytomyr Women and Infant Rehabilitation Center at Zhytomyr, Ukraine. The U.S. Embassy in ... (click to read more)

## 405th AFSB conducts predeployment site survey in support of U.S. Army Europe's mission readiness

MANNHEIM, Germany — The 405th Army Field Support Brigade led a predeployment site survey at three of its Army Prepositioned Stock sites in support of U.S. Army Europe's mission readiness, Feb. 4-8.

The 405th AFSB guided key logistics planners from various organizations to further build on interoperability, and validate, align and develop APS and logistical support requirements with and in support of rapidly deploying forces in Europe.

Col. Grant L. Morris, commander, 405th AFSB, kicked off the survey with an overview of logistical support capabilities and interoperability within the theater.

"We are here today, to help you develop your concept of support," Morris said. (click to read more)

## Women's History Month: Women serving at Bagram Airfield, Afghanistan

BAGRAM AIRFIELD, Afghanistan — Women have always played an important role in the U.S. Army.

In March, Women's History Month is celebrated to honor the accomplishments of women including their role in the military going all the way back to the Revolutionary War.

Today, women serve in every career field the Army has to offer. (click to read more)

## IMCOM Transitions to Army Materiel Command

JOINT BASE SAN ANTONIO - FORT SAM HOUSTON, Texas — Installation Management Command was formally acknowledged as a major subordinate command of Army Materiel Command during an assumption of authority ceremony here March 8.

The transition establishes unity of command and effort on installations, improves the readiness of Soldiers and formations, and strengthen the well-being of Soldiers, civilians and families.

The move, part of the Army's aggressive ongoing reforms, was effective March 1 to free up resources for readiness and modernization efforts and to improve overall efficiency. (click to read more)
