2. You will be assigned to the Army Sustainment Command during this phase of your pre-deployment training. The training will be provided by the US Army Sustainment Command at Rock Island, IL. You will need to provide a copy of your military BIO, along with your ORB/ERB, 2A and OER/NCOER to G1 Mobilization Coordinator for ASC. She can be reached by phone at 309-782-5699. This information will be used by the in-theater Commanders/OPD's to determine the positions you will be assigned to while deployed.
3. You will deploy to Southwest Asia (SWA) to support one of our Army Field Support Brigades or LOGCAP. This training prepares you for the logistical and technical support you will execute during your deployment. To assist you with your pre-mobilization preparations, attached are Fort Benning's CONUS Replacement Center (CRC) Pre-Certification Training requirements with instructions and websites. We recommend that you complete as much of this training as possible prior to your mobilization date. To assist you with your pre-mobilization training and to find answers to basic questions concerning your deployment processing, review Fort Benning's CONUS Replacement Center (CRC) website at <https://www.benning.army.mil/infantry/197th/crc/>.
4. We have set aside limited time for Pre-Certification training while at RIA. You will also need to complete Information Assurance Training at <https://ia.signal.army.mil> and bring the training completion certificate with you.

ASC will provide the hotel information and phone number once the accommodations have been confirmed. You will be required to reserve your hotel room at that point.
